Agile Jokes

Let’s face it, agile and lean sometimes takes itself way too seriously, so I started to collect funny quotes associated with agile and lean thinking. We should all remember Rule Number 6.

Most of these come directly from field experience.

Read and enjoy.

Quotes

- “Screams” - initial description of a Scrum Team by an executive.
- ”Will will now do ‘fist in eye’” - improves collaboration results.
- ”We are too busy flailing fast to fail fast”
- “We are patching so often that we've already achieved continuous deployment!”
